

# BIKE TO WEDNESDAY · JUNE 28 · 2017 WORK DAY

## Calling all artists!

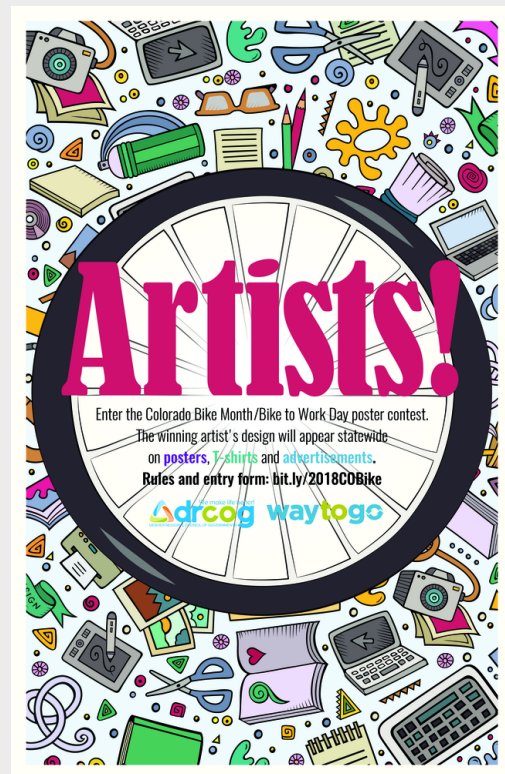

Would you like your art to be the next face of Bike to Work Day? Submit your design by 5 p.m., Sept. 29, to be considered. There is no entry fee.

The call is for a single poster design with two variations: Colorado Bike Month and Bike to Work Day. It should reflect the mission of celebrating biking as a viable, efficient, healthy, and fun transportation option.

In exchange for the poster art and all reproduction rights, the selected artist(s) will receive a one-time payment of \$1,500.

Start getting those creative juices flowing! Tell your friends. Tell your neighbors.
