Haven't registered yet? Here's why you should:

1. You'll see just how easy and fun it is to choose a healthier commute.
2. You'll be a part of one of our region's biggest summer events. Our region's Bike to Work Day is the second-largest in the country. Don't miss out!
3. By registering, you could win a trip for two to cycle Iceland, including airfare.

Registration provides real data to support safer infrastructure in the region.

Bike today for a better tomorrow.
