

Attention, station organizers!

Help us, help your station.

By using **#Biketoworkday** and **#WaytoGoDenver** on all social media platforms, you'll increase awareness of your station's location and offerings.

For other ideas on how to increase exposure, check out the [station organizer toolkit](#).

More questions? [Ask Evan](#).

Attention, company coordinators!

Have you dusted off a spot for your trophy yet?

Make sure you're registered for the [Business Challenge](#) so you can show off that one-of-a-kind, hand-crafted trophy!

Get your co-workers excited and engaged.

Use the "invite others to join" link under the coordinator menu on your dashboard to cut and paste your company's link into an email. This will allow your co-workers to automatically connect with your team!

Interested in keeping the two-wheeled momentum rolling beyond Bike to Work Day?

Our team is available to customize a program for you through the summer and into the fall. [Contact the Way to Go team.](#)
